

# About Us

## Who is Deerfield Behavioral Health?

Deerfield Behavioral Health is a non-profit affiliate of Journey Health System. We offer comprehensive contract behavioral health care at several locations across Pennsylvania. Our mission is to expand access to high-quality psychiatric care by building collaborative partnerships and sharing clinical resources across organizations. As a nonprofit practice, we reduce the cost of care through coordinated staffing, innovative service models, and mission-driven reinvestment, ensuring that communities and partner organizations can sustainably meet growing behavioral health needs.

Deerfield employs a full-spectrum of clinical experts including Psychiatrists, Certified Registered Nurse Practitioners (CRNPs), Physician Assistants, Licensed Clinical Social Workers, Licensed Professional Counselors, and support staff.

We are committed to evidence-based, patient-centered psychiatric care that improves outcomes and supports the dignity and well-being of every individual.

## Who do we serve?

We partner with healthcare organizations, community agencies, and other clinicians to build shared solutions that strengthen the region's behavioral health workforce and infrastructure. We work with our partners to remove financial and structural barriers that limit their provision of mental health services.
